

CCI Group Procurement Policy

The CCI Group, in accordance with the Group's Code of Conduct, engages in procurement activities aimed at building partnerships with our suppliers through fair and equitable transactions, contributing to the realization of a sustainable society.

1. Building Trust with Suppliers

We strive to build partnerships with our suppliers and achieve long-term cooperation and success through mutual growth and close collaboration.

2. Fair, Equitable, and Transparent Transactions

We evaluate suppliers comprehensively based on safety, quality, price, environmental considerations, and compliance with laws and regulations, making fair and equitable decisions.

3. Compliance with Laws

We comply with the laws and regulations of each country and strive to prevent unethical conduct.

4. Respect for Human Rights

We respect the fundamental human rights of all individuals involved in supplying the products and services we procure and conduct responsible procurement activities that do not engage in any conflicts or human rights violations.

5. Environmental Considerations

To realize a sustainable society, we promote green procurement by prioritizing materials and components that are environmentally friendly.
